**Date:** 28/11/2008 11:50 am  
**Subject:** STRATA LICENCES

TO WHOM IT MAY CONCERN,

Strata licences in NSW should remain as is, unchanged.

For those that work in a trade, you wont see apprentices working unsupervised without the trades qualified and licenced person nearby.

Strata is no different, a licenced strata manager supervisors those whom only hold a certificate in strata management which is only a 9 day course.

Regards

John Andrews
