Subject: NSW Trade Licensing (Strata Management)

Dear Sir,

I am writing in regard to the above subject, pertaining the review of the mandatory trade licensing.

It is our opinion that this trade licensing should be upheld; and those seeking to provide this service should have mandatory appropriate qualification and training prior to grant of licenses. We are also of the opinion that the current requirement for licensing is sufficient and should be upheld.

This is to ensure the standard of the services is also upheld and with view to protect the consumers.

Should you have any queries, please do not hesitate to contact us.

Thanks
Peter
