Dear Sir/Madam

RE: **REFORM OF SHOP TRADING HOURS IN NSW**

The Perron Group is a Private Company specialising in developing and investing in shopping centres throughout Australia.

The shopping centre investments in New South Wales are:

Campbelltown Mall	100% owned	Managed by Jones Lang LaSalle	130 shops
Broadway	50% owned	Managed by Mirvac Retail	145 shops
Rhodes	50% owned	Managed by Mirvac Retail	119 shops

and five more major shopping centres based in Victoria and Western Australia.

This letter is to confirm our strong support for the reform of shop trading hours in New South Wales.

The present system of regulation which retains control over Sunday and public holiday trading hours is complex and confusing and out of line with modern practice and customer expectations.

We are a member of the Shopping Centre Council of Australia and endorse the more comprehensive submission made by SCCA on this matter.

We look forward to your recommendation for reform of this issue.

Yours faithfully
PERRON INVESTMENTS PTY LTD
